Train New Trainers (TNT) Essentials of Primary Care Psychiatry (EPCP) Conference 2027 (7.5 Pharmacology Hours)

January 15, 2027

Purpose
The EPCP 2027 is a pivotal event designed to bridge the gap between primary care and psychiatric care. It provides primary care practitioners with the foundational tools and knowledge necessary to address mental health issues effectively within their practice.

Target Audience
Specialties – Emergency Medicine, Family Medicine, Medicine, Obstetrics & Gynecology, Geriatric Medicine & Gerontology, General Internal Medicine & Primary Care
Professions – Physician, Non-Physician, Allied Health Professional, Dentist, Nurse Practitioner, Pharmacist, Physician Assistant, Resident Physician

Activity Objectives
1 Screen patients for common psychiatric disorders during a primary care visit
2 Describe evidence-based approaches to suicide risk assessment
3 Recognize comorbid psychiatric considerations in patients with pain disorders
4 Describe evidence-based approaches to diagnosis and treatment of substance use disorders
5 Recognize and treat common mood disorders
6 Recognize and treat common anxiety disorders
7 Develop and enforce consistent policies in primary care
8 Consider opportunities to decrease disparities in their practice
9 Provide general advice to support patients' nutritional health

Accreditation Statement
The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement
The University of California, Irvine School of Medicine designates this Live Activity for a maximum of 14.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

California Assembly Bill 1195 and 241
This activity is in compliance with California Assembly Bill 1195 and 241, which require CME activities with patient care components to include curriculum in the subjects of cultural and linguistic competency & implicit bias. It is the intent of AB 1195 and AB 241 to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population and reduce health disparities through appropriate professional development. Please see the CME website, https://www.meded.uci.edu/CME/ for AB 1195 and AB 241 resources.

MOC Statement(s)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 14.75 MOC point(s) in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
