

2025 Rhinoplasty Course

June 7-8, 2025

Purpose

We will focus on basic rhinoplasty for the novice and will emphasize advanced topics. Special topics will include the use of fillers in rhinoplasty, adjunctive office-based maneuvers. Exhibitors will also be in attendance to demonstrate the latest in technology relevant to the practice of nasal surgery.

Target Audience

Specialties – Dermatology, Otolaryngology - Head & Neck Surgery, Plastic Surgery

Professions – Physician, Allied Health Professional, Medical Assistant, Medical Student, Nurse, Nurse

Practitioner, Physician Assistant, Resident Physician

Activity Objectives

1 Improve participants' understanding of nasal anatomy and the functional aspects of rhinoplasty, including how to address airway obstruction and achieve optimal aesthetic outcomes.

2 Equip participants with the latest surgical techniques and maneuvers in rhinoplasty, focusing on both cosmetic refinements and functional improvements through step-by-step procedural insights.

3 Enhance participants' ability to evaluate and manage complex rhinoplasty cases, including revision surgeries, while incorporating cultural, linguistic, and patient-centered care considerations for diverse patient populations.

Accreditation Statement

The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

The University of California, Irvine School of Medicine designates this Live Activity for a maximum of 17.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

California Assembly Bill 1195 and 241

This activity is in compliance with California Assembly Bill 1195 and 241, which require CME activities with patient care components to include curriculum in the subjects of cultural and linguistic competency & implicit bias. It is the intent of AB 1195 and AB 241 to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population and reduce health disparities through appropriate professional development. Please see the CME website, <https://www.meded.uci.edu/CME/> for AB 1195 and AB 241 resources.

Faculty & Planner Disclosures

University of California, Irvine School of Medicine Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers, or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.
