

UCI Department of Dermatology Grand Rounds Unusual and Emerging Infectious Diseases and the Skin: A Case-Based Innoculation

July 23, 2025 – 8:00 AM

Irvine, CA

Target Audience

Professions – Physician, Allied Health Professional, Nurse, Nurse Practitioner, Physician Assistant, Resident Physician

Objectives

At the conclusion of this activity, the participant should be able to:

- 1 Summarize core competencies in Dermatology as identified by the Accreditation Council of Graduate Medical Education.
- 2 Assess and manage complex skin disease including but not limited to cancer.
- 3 Cite current research findings in the field of dermatology and dermatopathology.
- 4 Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

Faculty & Planner Disclosures

University of California, Irvine School of Medicine Continuing Medical Education adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers, or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement

The University of California, Irvine School of Medicine designates this Live Activity for a maximum of 3.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ADA Statement

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact the department administrator before the meeting dates.

California Assembly Bill 1195 and 241

This activity is in compliance with California Assembly Bill 1195 and 241, which require CME activities with patient care components to include curriculum in the subjects of cultural and linguistic competency & implicit bias. It is the intent of AB 1195 and AB 241 to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population and reduce health disparities through appropriate professional development. Please see the CME website, <https://medschool.uci.edu/cme>, for AB 1195 and AB 241 resources.
