Marjon Vatanchi, MD, as course director, Jessie Hou, MD, Michelle Aszterbaum, MD, and Donna Tran, MD, as planners have no financial relationships to disclose. Michelle Min, MD, MSci, is an advisor for Bristol -Myers Squibb; a grant or research supporter for Amgen, Priovent, Boehringer

Ingelheim Pharmaceuticals, and a former advisor for Horizon Pharmaceuticals. Dr. Min further discloses that she will recuse herself and defer to Dr. Vatanchi in the planning of any content related to her disclosure information.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of California, Irvine School of Medicine and the Orange County Dermatologic Society. The University of California, Irvine School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The University of California, Irvine School of Medicine designates this live activity for a maximum of 2 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ADA Statement

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please email OC Dermatologic Society at ocdermsociety@gmail.com before the meeting date.

California Assembly Bill 1195 and 241

This activity is in compliance with California Assembly Bill 1195 and 241, which require CME activities with patient care components to include curriculum in the subjects of cultural and linguistic competency & implicit bias. It is the intent of AB 1195 and AB 241 to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population and reduce health disparities through appropriate professional development. Please see the CME website, medschool.uci.edu/education/medical-education/cme, for AB 1195 and AB 241 resources.
